Get acquainted with Chinese language! Learn to speak some simple Chinese. This class is a wonderful class designed for parents who have children learning Chinese through the WSCD.

This course provides live presentation and activities of the Chinese culture. It discusses major issues, concepts, and theories including, but not limited to, major forms of art in the history of China, Chinese classic traditional music and dance, Shan-Shui painting and Chinese poets, Chinese traditional housing, diversified nationalities in China and their arts, with theories of very basic Chinese values from Confucianism to Taoism to Buddhism. You can also experience the Chinese culture through some activities like writing calligraphy, paper cutting and cook Chinese cuisine.
